ALLISON TYLER JONES We are excited to have Allison join us to inspire us through her irresistible smile and spunky personality. She is a mother of 2 and a stepmom to 5 and 5 grands. Allison is a successful entrepreneur. She founded her ATJ Photography studio in 2005 and now travels all over the country, educating and motivating people to reach for their dreams.

We feel honored to have Allison join us, and you won't want to miss her presentation. You will feel her infectious love of life even through life's adversity. You will leave feeling uplifted and inspired and know that if you 'lean in' and keep your lamp filled with His Light, you will never be alone.

KAREN SCHMEISER Artist Extraordinaire Karen Schmeiser is a realism painter taught in the method of the old masters. Karen studied art and was mentored by world-renowned artist Frank Covino.

In 2014, Karen was called on an Art Mission for the Church of Jesus Christ and joined a small group of artists in Wahlsburg, Utah, to paint the murals for the Baton Rouge and Philadelphia Temples.

Karen uses her art to enlighten and inspire, giving a visual depiction of life, trials, hope, progression, service, renewal, and love that all can relate to and benefit from.

Karen will be sharing her 'Journey of Faith' story while sharing her beautiful art. You will leave uplifted and inspired to help others on their 'Journey of Faith' by strengthening our Light and sharing HIS Light.

We will have beautiful music by Kirsten Millsap, Freddie Ashby

and our very own Kimball East Stake Women's Choir.

invite your friends, family members, and neighbors.

It's sure to be inspiring for everyone.

Catered Lunch will be served after the program.
