

Serve. Lift. Grow.

Serve the Lord as a Senior Missionary
*Around-the-World • Around-the-Corner
or From your Home!*

You are invited to join in a special devotional for all Members of the North America Southwest Area age 40 and above, to explore serving around-the-world, around-the-corner, or from your home.

Do you want to serve as a Senior Missionary, but feel that you can't for many reasons? You can serve a Senior Mission, if you have the desire. There are many opportunities.

Some of the questions that will be answered:
Where do I begin?
What are the options?
Can I serve from home?
Where is there a need?
What resources are available to help me choose?

Send questions you would like addressed
